Donor-Advised Funds: Panel Discussion from Various Perspectives

Topic: Planned Giving (PG) – Please join us for a panel discussion on donor-advised funds. We will tackle such questions as: What do charities undertake in offering DAFs to donors? Why have community foundations been so successful? How do we work with our for-profit peers in this area?

If your organization offers a DAF; is contemplating offering one; partners with local community foundations; or receives gifts from commercial funds, you will enjoy and benefit from this session.
